

Advocacy of Public & Regulatory Policy

Various Government Authorities and Departments invite opinion from public and industry members on various regulations and policies under its jurisdiction.

As a responsible corporate citizen, our company believes that it should provide inputs on matters concerning business and society in general.

It does this through trade and industry chambers and other collective platforms that it is a member of. The

Company is a member and participates in the following trade associations:

- Bombay Chamber of Commerce
- Maharashtra Economic Development Council
- The Indian Paint Association
- Bombay Management Association
- Indian Chemical Council
- The Advertising Standards Council of India
- Paint India (Colour Publications)
- Employee Federation of India
- Federation of Indian Chamber of Commerce and Industry (FICCI)
