

CORPORATE SOCIAL RESPONSIBILITY POLICY

“Kansai Nerolac Paints Limited, (hereafter called KNPL) being a socially responsible organization, while transacting business, will adopt fair and just means, meeting the norms of Corporate Governance”

“KNPL will make a positive and significant contribution to the society by targeting social and cultural issues, maintaining a humanitarian approach and focusing on areas in and around our plants and where our establishments are located”

“KNPL will lend a helping hand to the society in which it operates, in the areas of health, education, environment preservation and community development. KNPL believes that good neighbors are considerate of each other, are interdependent and believe in partnering at times when there are problems”

As far as possible, KNPL will encourage its employees to render support in various social activities, ensure their participation in CSR initiatives of the company and give due recognition to their work and contribution to the society”

H. M. Bharuka
Managing Director
