The above is an extract of the detailed format of unaudited financial results for quarter and nine months ended December 31, 2022, filed with the Stock Exchanges under Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015. The full format of financial results (Consolidated & Standalone) for the quarter and nine months ended December 31, 2022, are available on the Company's website i.e. www.maxhealthcare.in and also on the Stock Exchanges websites (www.bseindia.com and www.nseindia.com).

The above unaudited financial results (Standalone & Consolidated) for the quarter and nine months ended Decembe III. 31, 2022, have been reviewed by the Audit & Risk Management Committee and approved by the Board of Directors on February 2, 2023. These were subjected to limited review by the statutory auditors, Deloitte Haskins & Sells and review report is unmodified.

IV. During the quarter ended September 30, 2022, the liquidator, appointed pursuant to scheme of voluntary liquidation approved by the shareholders of Saket City Hospitals Limited ("SCHL"), a wholly owned subsidiary of the Company, had distributed the entire business undertaking of SCHL to the Company, on a going concern basis. The said distribution o business undertaking was accounted for using the pooling of interests method in accordance with Appendix C of Ind AS 103 'Business combinations of entities under common control'. Accordingly, the comparative financial information of the standalone financial statements for the previous periods have been restated to give effect of the consummatio of business undertaking from beginning of the period disclosed.

The above distribution resulted in inter-alia recognition of long term service agreements in block of intangible assets in tax books of the Company at fair value as on August 31, 2022. Accordingly, in the previous quarter ended September 30, 2022, the deferred tax liability recognised upon an earlier business combination, was reversed, resulting in deferred tax credit of INR 28,250 lakhs in statement of profit or loss. Simultaneously, a capital gains tax of INR 3,828 lakhs arising on account of difference in fair value of assets received upon distribution vis a vis the indexed value of the Company' investments in SCHL was also recorded as part of current tax expense in the previous quarter.

Exceptional items adjusted in the Statement of Profit and Loss in accordance with Ind-AS.
